My mum has been in Homefield since 2022 and the care provision has been outstanding.

She has very specific needs and these are taken care of in a very professional and caring manner. I couldn't have hoped for more.

Cost of Care

Choosing a care home can be a difficult time, understanding the types of care available and how the fees will apply to you.

The fees can vary according to whether you will be Self Funded or Local Authority funded and also on the individual and your care requirements.

Shaw healthcare offer a personalised care plan to ensure all of your needs are fully catered for. We can help you with calculating the cost of care through a Care Assessment to determine what your fees will be.
