The care and compassion shown by the staff has been exceptional and everyone is so professional yet human. I cannot have asked for a better experience. Dad has already settled in and is happier than I have seen him for a very long time.

Cost of Care

Choosing a care home can be a difficult time, understanding the types of care available and how the fees will apply to you.

The fees can vary according to whether you will be Self Funded or Local Authority funded and also on the individual and your care requirements.

Shaw healthcare offer a personalised care plan to ensure all of your needs are fully catered for. We can help you with calculating the cost of care through a Care Assessment to determine what your fees will be.
