# Activities

At our residential services we have activity programmes to promote healthy minds and wellbeing. We adapt our programmes based on the feedback of our individuals and try to promote creativity and enjoyment. Individuals are invited to participate but it is not compulsory.

The poster features the Shaw healthcare logo at the top left, with the tagline 'wellness • happiness • kindness'. The title 'Sample Activities' is prominently displayed in the center. A text box on the right explains that the activity schedules aim to be both mentally and physically stimulating, emphasizing therapeutic enjoyment and social opportunities. The main content is a 'Sample Week' schedule, presented in a central orange box, listing activities for each day from Monday to Sunday. The background of the poster is a vibrant illustration of a residential care community with various buildings, green hills, trees, and a blue sky with white clouds.

# Cost of Care

Choosing a care home can be a difficult time, understanding the types of care available and how the fees will apply to you.

The fees can vary according to whether you will be Self Funded or Local Authority funded and also on the individual and your care requirements.

Shaw healthcare offer a personalised care plan to ensure all of your needs are fully catered for. We can help you with calculating the cost of care through a Care Assessment to determine what your fees will be.
