Dementia Nursing Care

Welcome to **Woodview House**

Woodview House offers longterm care accommodation offering the highest possible standards of care for older people living with dementia and very high needs, including end of life care.

Woodview House is a specialist care home that is suitable for a wide range of personal care and rehabilitation needs, with a friendly service and homely surroundings making it an ideal accommodation in which to spend a relaxing retirement.

Each individual is respected within the service, with personal care packages put together through collaboration with family members and any other health professionals involved.

Another benefit of Woodview House is the team's progressive attitude towards encouraging an active and independent lifestyle, enabling people with care needs to pursue personal interests and take part of exercise classes and outings for the mental and physical advantages that are likely to result.
