I am always made to feel welcome when I come into the building to visit my friend. She has been a resident since June 2020, has a nice ensuite room, is warm and treated with kindness and respect.

Below the title, a quote states: 'Our activity schedules aim to both mentally and physically stimulate participants, they place emphasis on therapeutic enjoyment and provide opportunities to be social.' Cost of Care

Choosing a care home can be a difficult time, understanding the types of care available and how the fees will apply to you.

The fees can vary according to whether you will be Self Funded or Local Authority funded and also on the individual and your care requirements.

Shaw healthcare offer a personalised care plan to ensure all of your needs are fully catered for. We can help you with calculating the cost of care through a Care Assessment to determine what your fees will be.
